

British bank awards

Celebrating the very best of the
banking industry, as decided by customers.

Introducing the British bank awards

Since 2014, Smart Money People have been on a mission to help financial services companies deliver outstanding service by giving their customers a voice. As the UK's dedicated financial services review site, our unique platform helps us empower consumers to make more informed choices while enabling better business decisions for financial services companies.

That's why we started the British bank awards, to find and recognise the very best of the banking industry. The awards are widely recognised as the ultimate symbol of excellence across the banking industry, as determined by those who matter most, the customer.

Award categories span the vast range of the banking sector, with specific categories for innovation, new entrants to the market, ethical providers, influencers, and many more.

But what sets the British bank awards apart is that it's the voice of the customer that counts. So if you feel you offer truly stand-out products and services and you want the world to know about it, take part in the awards. It's free to enter and it's your customer's reviews that will decide the winners.

How do we judge the awards?

Simply – we don't. Unlike other industry events, British bank awards winners are decided entirely by customer reviews, not by a panel of judges. Any eligible reviews left on Smart Money People between the opening and closing dates will be counted.

We choose winners based on the average overall satisfaction rating a customer gives when they leave a review with us, as well as the volume of reviews we receive. The exceptions are the customer service, app and treating customers fairly categories, where winners are decided based on data captured for these specific questions.

It doesn't matter how big your company is and it costs nothing to take part – the awards come down to quality customer reviews, nothing more.

Who runs the awards?

The British bank awards are run by us, Smart Money People. We're the UK's dedicated financial services review site, with more detailed and in-depth insight than any other review site.

We give consumers a platform to write and read impartial reviews so they can feel confident in their financial purchases, while delivering data-driven insights to help companies better meet their customers' needs.

Founded in 2014, Smart Money People's mission is to help people and financial companies create better outcomes. The British bank awards help to achieve this mission by acting as a symbol of excellence to both consumers and industry peers.

The British bank awards are a core part of what Smart Money People do alongside our other awards - the Insurance choice awards and the Consumer credit awards.

Why take part?

The British bank awards are a great way to show off how much your customers value you

Receive recognition and build credibility

The awards are determined by the reviews of your customers, making them a unique seal of approval in the industry. They're the ultimate endorsement that your products and services are hitting the mark, and that the hard work of your people is paying off.

Winning an award gives your company credibility, particularly if you're new in the industry or looking to build trust amongst consumers. Our badges are highly coveted as symbols of excellence. Your company's reputation will also be boosted by the extensive marketing and publicity surrounding the awards.

Access valuable customer insights

Using Smart Money People's platform, you get first-hand access to the honest feedback of your customers on an independent and impartial platform.

By understanding what your customers think and say about your company, you can turn your reviews and award votes into a valuable learning opportunity that can be fed into your business plans. All reviews we receive throughout the year (including those during the awards period) are available for you to view on our dashboard. You'll also be able to access essential Consumer Duty data.

69%*

of consumers are likely to change their mind after reading reviews

84%*

of consumers trust reviews from other consumers

More people use reviews to decide which financial products to use than an advisor

23% vs 17%*

Boost company morale and attract talent

Getting feedback from your customers that you're doing a good job is a great message to share with your employees.

It will motivate your existing people as well as help attract the stars of the future. Who wouldn't want to work for an award-winning company with products and services their customers love?

Attend one of the most glamorous award evenings in the industry

Secure your spot for a night you really won't want to miss. Held at one of London's premier venues, the British bank awards gala evening is an ideal networking opportunity and the chance to catch up with old colleagues and friends.

Key dates

Voting opens
8 January 2024

Finalists announced
20 March 2024

Voting closes
16 April 2024

Winners announced
9 May 2024

How to take part

Claim your review page on Smart Money People

Contact us to ensure you have access to your company's review account on Smart Money People, which is available for free. This allows you to interact with all the reviews you have and track how you're doing in the awards.

Confirm your entry in the awards

Email us to confirm you want to take part in the awards (it's free to enter). Let us know the main contact for the awards, and send us your company logo so we can promote your involvement in the awards too.

We'll provide you with a suite of marketing collateral to enable a great awards campaign, including customisable marketing assets and a factsheet.

Start your campaign

As our awards are determined through the ratings from the reviews we receive, the best way to get involved is to ask your customers to vote for you by leaving a review with us. We'll give you a personalised voting link so you can start collecting reviews straight away.

In the past companies have had great success when they have promoted they're participating in the awards, by sharing the voting link in the following ways:

Sending email campaigns

either as a specific 'vote for us' email or within your newsletters and email signatures.

Adding the voting link

to your website or app to make it as easy as possible for your customers to share a review.

Using social media

to share posts and generate excitement.

Using the marketing collateral

provided to give your customers more information about the awards.

Don't stop once the finalists are announced

Once we announce the finalists, there's still several weeks left to keep asking your customers to vote for you by leaving a review. Keep sharing the voting link by sending emails, sharing social media posts and encouraging staff to tell customers about the awards.

Celebrate your achievements by attending the winners gala event

Our winners gala event is an opportunity to share your success with other participants, and enables you to network at one of the best nights in the industry.

And, don't forget to share in the success by purchasing our badge licence package, which allows you to demonstrate your achievement to new and existing customers.

The ceremony

Join us to celebrate the banking industry's achievements and winners at our gala event.

Venue
TBC,
London

Date
9 May 2024

Time
7pm – 1am

Dress code:
Black tie

FAQs

What is the voting process?

Your company will need to register to take part and have a review page on the Smart Money People website. We'll give you a personalised link to provide to your customers, who can leave a review for your company in specific product categories.

Customers can also leave a review directly via the Smart Money People website, leaving feedback on a product, which also counts as a vote. And that's it – from landing on the page to leaving a review should take two minutes or less.

Who can leave a review and vote?

Customers who are UK residents over 18 are eligible to leave a review in all categories and will be entered into the prize draw.

What personal data do we capture?

We ask reviewers for a name and email address so we can validate reviews and get in touch with prize draw winners. We don't capture any account-specific information or share any data with third parties. And we're registered with the ICO with the code ZA190919.

How does the £1,000 prize competition work?

We'll randomly select a winner from all customers who leave a valid review during the voting period. Our Terms and Conditions are available by visiting smartmoneypeople.com/british-bank-awards/terms

Can companies incentivise customers to leave a review?

We work hard to keep the process fair, so we don't allow companies to incentivise their customers. These reviews will be removed from the overall ratings process.

Are employees allowed to leave a review and vote?

To keep the process fair, employees (or friends and families of employees) aren't allowed to leave a review for the company they work for (or competitors in the same category they're competing in).

Can a company enter more than one category?

Yes – enter as many different categories as you're eligible for. But please do speak with a member of our team if you're unsure which to go for.

Partnership opportunities

Our sponsorship packages are designed to deliver extensive marketing and business development value across a five-month period.

Sponsoring the British bank awards generates brand exposure before, during and after the event. It's a great way of boosting your company's reputation within the industry.

Partnership options

As well as the ability to sponsor a category in the awards, you can partner with us as headline sponsor, or sponsor an element of our awards celebration evening. If you can't see an option listed and would like to be involved in the awards, please contact us. We're very happy to accommodate bespoke requirements to match your objectives.
